New streamlined, secure phone ordering system is now in effect!

The next time you place an order with one of our live customer service representatives you will receive inventory status, shipping amount and confirmation number!

When you register, you'll be entered to win a \$500 STEINER gift certificate for anything on our website!

We'll do four drawings over the coming year, so the sooner you register at www.SteinerTractor.com the better your chances are to win.

Request a FREE T-shirt with your order!

When you order \$100 or more from this flyer or the 2010 catalog, we'll send you a FREE T-Shirt that you can't get anywhere else...

NEW!

Brake riveting tool

MIS1131 - This brake riveting tool is used to rivet brake linings to existing shoe or band.

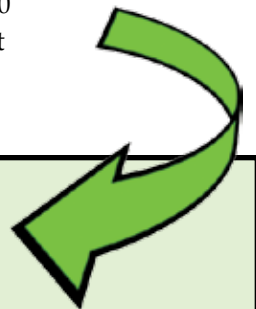

Includes a tool to drive out old rivets, a tool to drill & countersink linings, a tool topeen the new rivet & instructions. Mounts into vice.

Price: \$30.00 ea

...We'll be changing these clever T-shirt slogans throughout the year so you may get a different one each time. Good for web orders, too. Offer expires December 1, 2010.

You must mention OFFER T-10 when you order to get your T-shirt.

It's easy to order from Steiner Tractor Parts

Service, selection and speed: that's our promise to you.

Ordering:

Order by phone, fax, mail, or online at www.SteinerTractor.com.

Phone: 800-234-3280

Fax: Complete an order form and fax it to us at **800-854-1373**

Email orders to sales@SteinerTractor.com

Payment Terms:

Visa, Mastercard and Discover are accepted.

All other orders are shipped C.O.D., unless your order is prepaid including shipping & handling charges. There is a UPS / Truck Freight fee for all C.O.D. shipments plus normal shipping & handling charges.

Price: \$9.95 ea

BOK1192 - Legendary Farmall Tractors: A Photographic History

The first general-purpose tractor with narrowly spaced front wheels, the original Farmall was designed to do fine-tuned field cultivation as well as anything a team of farm horses could do—in short, to "farm all." The rest is history, even legend, in the agriculture industry—a legend that unfolds in these pages in full color and sharp detail. This big book features five hundred photographs of Farmall tractors, from that first experimental model introduced in 1924, through the classic lineup of International Harvester models that bore the Farmall name, to the last one to roll off the assembly line (the landmark five-millionth tractor produced at the Farmall plant in Illinois). Detailed descriptions combine with these vibrant pictures to make *Legendary Farmall Tractors* a full-scale appreciation of the art of farm machinery at its can-do best.
